

Youth Shooting at the Nelson District Rod and Gun Club Outdoor Range

When:

Friday, June 17, 2016
6PM to 8PM

Who:

Youth and accompanying adults
Club members and the public

Where:

Nelson District Rod & Gun Club Outdoor Range at Barrett Creek on Porto Rico Road North of Ymir

Details:

Nelson District Rod and Gun Club is starting a youth shooting program. We will be setting up some fun, reactive targets, and traditional paper targets. Kids can shoot from 6:00 to 8:00 pm. Targets will be available for both rim-fire and centre-fire firearms, so don't forget to bring your own rifles if you have them. There will also be a few firearms available for new youth who would like to try shooting.

All youth participants must be accompanied by an adult. All non-member participants and spectators will need to sign a waiver and pay a \$10 guest fee to cover insurance. New shooters are welcome; we will have instructors available to support them.

Range officers will be present to monitor and instruct. Bring the kids out to learn to shoot in a safe and supportive environment. Safety is number one, but fun is never far behind.
