RE: Nelson Rod and Gun Club

Community Support – Hall facilities and Archery Range

Tansi , good day

I am Don Courson, President of the Nelson and Area Metis Society.

This is a letter of support and acknowledgement for the Nelson Rod and Gun Club in providing their facilities in support of the Ministry of Children and Families , Adoptive Families support group, for a nominal fee for use of the facilities.

We, the Nelson Metis Society were asked to participate as an Aboriginal connection, participating with a cultural activity enjoyed by over 16 youth and a couple of adults also.

I would like to thank the Rod and Gun Club members and executive for their continued support and willingness to acknowledge the greater Nelson and Area community benefits of their facilities.

Migwetch , maarsii , thank you

Don Courson

President

Nelson and Area Metis Society
