NEWS:

Early Payment Incentive for Renewing Members

Once again, the Club is offering an incentive for early payment of memberships for those members who paid in 2018 and are renewing their memberships in 2019.

If you pay between October 1st and November 30th 2018 for 2019, there will be a reduction of \$10.00

Individuals and Seniors will pay \$75.00

Families will pay \$100.00

Juniors will still pay the \$30.00 as the Club currently subsidizes these members

The application form and payment must be received by the Club by December 1st, 2018, not simply put in the mail or dropped off at Nelson Farmers Supply on or after that date.

For those of you who did not renew in 2018, if you have already completed the waiver and Membership Registration **or** can complete the paperwork before December 1st, 2018, you too will qualify. Contact me to start the process.

Remember, if you miss the deadline, the full fees will apply

For those of you on automatic renewal, as long as your credit card info is current, you don't have to do a thing – your 2019 membership will be processed in November

Indoor Gun Range:

The indoor gun range will return to winter hours on October 17, 2018. However, at this time, the Wednesday 10:30am-12:00pm will not be offered, as we don't have any available range officers volunteering for that time.

Archery: A work party is organized for **Saturday, September 29/18 at noon** to bring the outdoor targets in for the winter. If you can help for an hour or two, that would be great. A net has been purchased for next year's season to be hung behind the 60-yard bag to stop arrows.

HERITAGE MATCH 2018

Director: Andrew Woodward

This year's Heritage Match, while not as well-attended as in prior years, was still as successful an event as ever. The heavy smoke kept many shooters away whose names appear many times on our trophies, with only eight competing in all of the day's activities.

The morning consisted of clean, pure marksmanship: seven rounds, fired at a fixed target of known distance, with no time limit. We had two relays – one for those shooting prone, and one for those who felt it best to shoot from the bench. This arrangement went smoothly, until it became apparent that an administrative error saw two shooters firing on the same target at 300 yards! It didn't matter much in the end: the two gentlemen involved decided to split their score, and ended up sharing the trophy!

After a delicious lunch cooked by the ever-helpful Glen Mcken came the more exciting events. In homage to the most venerable drills of the Great War, the Mad Minute was a blindingly fast flurry of rifle fire. Then came the Fred Watson Memorial Shoot, when a Mosin-Nagant came out to play with all the Lee-Enfields. The Team Shoot challenged not only our marksmanship, but our mental math skills too: eight doesn't go cleanly into three, after all! Yours truly was offered the chance to participate by Dan Danforth, who even let me shoot his custom handloads free of charge!

(Please note: there are still two uncollected cash prizes! Murray Nelson & Dale Lockhart are encouraged to contact me, so I can give you fellas your due!)

Special thanks to Howie Grant for taking photographs, Glen Mcken for keeping us fed, our two Range Masters Marvin Paisner and Dan Danforth, and especially to Ymir Fire Chief Steve Wood, for ensuring everything stayed fire safe!

Osprey on Kootenay Lake, Sept 7, 2018.

Ospreys may log more than 160,000 air miles over a lifetime. One female Osprey in Massachusetts, which researchers tagged in 2008 and named Penelope, headed south in early September, later reaching the Bahamas. After pausing in the Dominican Republic, she traveled to the Island of Birds, off Venezuela. She had covered nearly 3000 miles. After a side trip to the Amazon, Penelope spent the winter on a remote jungle river in Suriname.
