President's Report

Membership Meetings only 3 a year! The first is the Annual General Meeting (AGM), held the second Tuesday in January and primarily deals with short recaps of the previous year and the election of five directors for the year.

The other two will be a combination of a social event, with an hour long meeting, dealing only with items on which the directors need you- the members input and for you to bring to the directors any concerns or suggestions you have for the betterment of the Club.

Saturday, June 13 – mark your calendars as this is the date of the second Membership Meeting of 2020 to be held at the Outdoor Ranges, 124 Porto Rico Road. The meeting will commence at 10 a.m. and will last one hour. All members attending this meeting will be given a voucher for the Club sponsored lunch.

There will be some Club Social events following the meeting. The Directors have not yet decided on these events.

The past two years great things have been happening at the outdoor range, the new Archery Range is nearing completion. The Trap Range is up and running; and plans are being finalized to add a food prep area and covered shelter to the area by the shooting range.

We are looking for your input on things you would like to participate in at future meetings some ideas to get you thinking

- fly tying demonstration and perhaps an intro into how to start your own tying

What is "Social Gaming" ?

It is a family orientated time and place to socially interact playing your favorite non-electronic game and to find opponents for your game or play other games. Games like Catan, Agricola, Risk, Dominion, Magic, Warhammer 40K, Age of Sigmar, X-Wing, Battlegroup, D&D and Pathfinder just to name a few. Just bring out your favorite game or show up to see what is being played and if anyone needs another player to join in. We would also like to start building a collect of games within the club for venue use. If anyone has any games, complete or otherwise, lying around not being used, we are interested in them. Donations would be greatly appreciated.

On **December 15, 2019** we had our first Warhammer Kill Team Event. Everyone who attended had a good time.

Nelson Warhammer Campaign – Spring 2020

++++++ Start Transmission ++++++

This is Commander Morrison of the PDF forces garrisoned at the Hive World of Kranenbruek in the RDC/k System. I am making an urgent plea for reinforcements. We are suffering attacks on all fronts. Raiders, Heretics and Horrifying Monsters have all arrived in system. I don't know what's calling them here but we won't last long at this rate.

Forces have held on the Aggreworld of Crest's End and the Forgeworld of Trayle. We've lost contact with the moons of Sai'loe and Cass'lo. But fighting has been thickest at the Fortressworld known as The Castle Gaur and the Maidenworld of Nillisenn.

I hope someone is receiving this and if you are please come quickly. There is a darkness growing here and we can only hold it back so long...

Thank you to **Wes Smith** and **Brian Beaudoin** for restoring a rusty old trailer into a very useful trailer for hauling 3D targets onto the courses. Set up will be made so much easier with our new trailer, "Tuggy McPullsalot".

Brian Beaudoin welding the trailer.

Wes Smith completed the trailer.

Archery Clinic for Traditional shooters: May 2-3/2020

This is Marc and Katie Britton from Kamloops. This past year, Marc placed 1st in the Canadian 3D Nationals for Instinctive Archery at Prince Albert, SK and Katie placed 2nd. They went on to compete at Lac LaBiche, AB in the World 3D Archery Competition. Marc placed 6th and Katie placed 12th. Katie was competing with a broken finger!

We invited this talented couple to come to Nelson for a skills improvement clinic. For a full day, the cost would be \$60 per person +GST. Minimum 10 people, Max 14 . Day 1 is about improving the shot process through theory and practical application, step-by-step. If you are interested in a Day 2, for \$40 more it would include technical aspects like arrow tuning, arrow building, and string making, etc. Light bows will be available to prevent fatigue from a full day of drills. String will be provided and jigs will be available to buy at the end of the weekend. There's space for 4 more archers! Contact: Annette Smith at annette.spanky.smith@gmail.com

Thank you to **Danny Leeming** and the graphic design students of **Mount Sentinel** for creating our 3D Poster!
