Newsletter December 2020

Looking Ahead, A Message from Richard Green, Vice-President:

With COVID-19 negatively affecting our lives, it is likely that we have given some thought to the future.

One of the events that will affect our club is the coming **Annual General Meeting**, open to all members, on the second Tuesday of January (January 12). At that meeting the **election of directors for 2021** will be on the agenda. Brian, Glen, Marvin, Melissa, and Warren will be entering the second year of their two-year terms. Alan, Howie, Nazy, Wally, and I will be up for election or replacement at that time. Andrew has indicated that he does not intend to stand for re-election.

There continues to be an opening for the executive position of **administrative secretary** to handle correspondence.

There is an opening for **gun show coordinator** to replace Zach. Also, Annette has hinted that she would like to be replaced as **newsletter editor**. Other possibilities exist. Some coordinators may appreciate an assistant.

Do give some thought to the activities in which you would like to become more involved. Fresh thinking can lead to improvements in our club offerings. Do arrange to get nominated, or alternatively just come forward to volunteer! This is an opportunity to make your club stronger!

Changes to upcoming PAL and RPAL Courses:

Alan Bond

The January 30, 2021 PAL course is full.

There will be a January 31, 2021 PAL course (previously scheduled as a RPAL course)

The February 6 + 7, 2021 CORE is going ahead as scheduled and is over 1/2 full

The RPAL has been rescheduled to February 27, 2021

For registration call Alan Bond at 250 352-2289. Students are expected to bring and wear face masks. There are some CORE manuals available to borrow. Books must be returned before certificates are issued.

We had some surprising cancellations in the RPAL course and increasing interest in PAL. Students are expected to gain the PAL before registering for RPAL and considering we are down to 4 or 5 students for RPAL, it was the best course of action available to us.
